

LOVE ALL PANTRY

Inclusive Community Feeding the City

Like so many of you, our costs are rising due to inflation. We were previously spending \$1,500 a week on food for the families we serve. Now, our weekly outlay for food is \$3,000.

We Need You as a Partner!

\$10 buys 50 pounds of food for families experiencing food insecurity and hunger. Text code "LOVEALL" to 44-321 or visit www.LoveAllPantry.org

Come enjoy an evening of artistic and creative expression. Listen to the smooth jazz of the Cedrick Brooks Project while unleashing your creative talent by decorating a bowl for ArtSoup 2023. Your creative design on one of Moonstruck Pottery's bowls will be part of the hundreds of bowls that donors will receive at the ArtSoup 2023 fundraiser. A \$10 ticket to Jazz on the Roof on April 30, 2023 includes the jazz music concert and the opportunity to paint a bowl for ArtSoup 2023. You can attend ArtSoup in September to search for your creation. Dinner plates by Barbequing with my Honey will also be available for \$10, and donations will be accepted for beer and wine. Please come enjoy a fabulous evening in support of The Pantry.

Tickets to Jazz on the Roof are available at loveallpantry.org

We need your help! Once a month, would you, your church, or group be willing to deliver groceries to hungry and food insecure families and shut-ins who can't make it to the pantry? For two years DoorDash in conjunction with The United Way of Southwest Alabama was providing this service, but have recently stopped that program. We need churches, groups, and individuals who are willing to make deliveries once a month. We also continue to need #PantryHeroes to volunteer on Monday and Tuesday mornings as we accept deliveries from Feeding the Gulf Coast, partition out groceries, then distribute to around 450 families every week. Please call Connie at 251-432-0591 or email info@loveallpantry.org if you can help.

Pantry Hero Spotlight

Andrea Bush is one of our hard working volunteers. A mother of five originally from Salt Lake City, Utah, she and her husband are teaching the value of service to their four sons - Jacob, Isaac, Andrew, and Michael. We are so grateful for the contributions the Bush family make each week, especially the heavy lifting the boys so often do. THANK YOU.
